BRITISH WILL RETAIN HER OWN GREAT NAVY

WINSTON CHURCHILL, MINISTER OF MUNITIONS SAYS GREAT BRITAIN MUST RETAIN HER NAVY IN ALL ITS STRENGTH IN SPITE OF LEAGUE OF NATIONS.

FOUR TIMES WITHIN FOUR CENTURIES
BRITISH NAVY HAS SAVED CIVILIZATION

BRITISH NAVY HAS NEVER, IN ITS HISTORY, BEEN USED FOR SELFISH PURPOSE, NOR AS A MENACE TO FREEDOM OF NATIONS.

LONDON, December 9.—(Associated Press)—Great Britain will use all her influence to make the league of nations a powerful reality, but she cannot regard it as a substitute for her own navy in any measurable period of time, Winston Spencer Churchill, the Minister of Munitions, declared in an article contributed to the Glasgow Sunday Post.

"Our safety from invasion, our daily bread, every means whereby we maintain our existence as an independent people; our unity as an empire; our federation of commonwealths and dependencies—all these float from hour to hour upon our naval defense," Mr. Churchill writes.

"We are also entitled to point out that this naval strength that we require and which we are determined to preserve, has never been used in modern history in a selfish and aggressive manner, and that it has on four separate occasions in four separate centuries, against Phillip Second of Spain, Louis 14, Napoleon and the Kaiser successfully defended civilization from military tyranny and particularly preserved the independence of the low countries."

BERNSTORFF'S FILES YIELD MORE SECRETS

CHIEF OF BUREAU OF INVESTIGATION READS LETTERS TO SENATE IN BREWERY PROPAGANDA INVESTIGATIONS. INSTRUCTIONS IN SOME TO ORDER ALL GERMANS TO QUIT WORK IN MUNITION PLANTS.

HUN SPENT \$27,500,000 FOR PROPAGANDA
BOLO PASHA WAS INTRODUCED BY HEARST

New York Newspaper Man Took Bolo to Lunch. Brought Here by a Representative of Hearst's Papers.

WASHINGTON, December 9.—(Associated Press)—More letters from the secret files of Count Von Bernstorff were read to the Senate committee investigating German and brewery propaganda, by A. Bruce Bielaski, chief of the Bureau of Investigation of the Department of Justice. Among them were instructions to all German consuls in the United States to get German subjects out of plants making materials for the allies.

The consuls were ordered to stop Germans above the rank of common laborers from working in such plants under a section of the imperial code and to report to the German consulate at New York.

Bielaski testified that Germany spent more than \$27,500,000 for the dissemination of propaganda in this country from the beginning of the war. Evidence obtained by the Department of Justice showed the funds of the German embassy amounted to \$27,850,000. Of this \$12,500,000 was obtained by the sale of German treasury notes, \$7,050,000 from bank credits and loans, \$7,000,000 from the German Reichsbank, and \$1,300,000 from other banks.

Bielaski was asked by Senator Overman to put in the hearing an account of the activities of Bolo Pasha, executed in France as a spy, while he was in this country.

Bolo was brought to this country by a representative of Hearst's, Bielaski said, and was taken to the German embassy by Adolph Rapenstadt, a wealthy German of New York, who is now interned. Later the witness said, Bolo was introduced to Hearst who invited him to lunch and who later attended a number of meetings with him. Bolo's mission in this country was ostensibly to obtain print paper, the committee was told, but in reality it was to obtain money for purchasing a paper in France. After getting it he returned to France.

ADDITIONAL TROOPS ARE RUSHED TO HUN CAPITAL

(By Associated Press)
Paris, December 9.—Additional troops were brought to Berlin Sunday by the Ebert government to crush the Spartacus movement which is in control of the northern suburb of the German capital, according to a dispatch to L'Information, from Zurich.

The radicals are said to hold the building in which the Prussian Chamber of Deputies meets.

The movement also has spread to Munich where there were disorders in the street after the radicals had broken up a meeting of the Democratic party. Disorders also are reported in Pilsen, Bavaria.

OHIO FLOOD PREVENTION LAWS VALID

(By Associated Press)
Washington, December 9.—The Ohio act providing for the construction of storage reservoirs to prevent a repetition of the flood which partly destroyed Dayton in 1913 with serious loss of life and heavy property damage was declared constitutional today by the Supreme Court.

The opinion was rendered in proceedings brought specifically to test the legality of 25 million dollars expenditures made for conservancy purposes in the Miami river valley district, but it also affects similar expenditures made under the act in other parts of the state.

The act was attacked on the ground that it would levy a tax upon residents of other states owning property in Ohio and that the money would not be used for drainage purposes but for the erection of artificial interferences with drainage.

Secretary McAdoo Would Have The Nation Furnish Means to Hurry Work of Reconstruction.

(By Associated Press)
Washington, December 9.—Congress was asked by Secretary McAdoo today to authorize loans after the declaration of peace to governments which have been associated with the United States in the war, to aid in speeding and reconstructing devastated countries.

The Secretary estimated that about a billion and a half dollars of war bonds already authorized will be available for this purpose, but loans cannot be continued after peace is proclaimed without specific legislative authority.

A special meeting of the House Ways and Means Committee, to which the request was addressed, was called for Wednesday to hear Mr. McAdoo and assistant Secretary Leffingwell on the subject.

Serious Rioting by Reds Results in Urgent Call for British Troops.

Extent of Disorders Not Disclosed in Brief Official Dispatches

(By Associated Press)
Aix-La-Chapelle, December 9.—British troops have been hurried to Cologne to maintain order, but what the nature of the trouble there has been, or how serious it is, is not stated in the brief unofficial announcement.

It is reported that Red forces and their opponents have been rioting and that the situation demands armed British forces.

In the meantime British infantry has been pushed up as far as Duren, which was entered tonight. Stringent orders have been issued along the British front forbidding anyone not actually a member of the army of occupation to cross the border without a special pass. British advance troops reached the River Rhine yesterday between Godesberg and Cologne. Field Marshal Haig announced today in reporting progress of the British army of occupation, Godesberg is about 29 miles southeast of Cologne near the Rhine, above Bonn.

MRS. EMMA BRITT

Tells How Vinol Creates Strength for Tired, Nervous Housekeepers

Texarkana, Texas.—"I keep house and I was weak, run-down and nervous, back ached a good deal of the time, so it was hard to take care of my chickens and do my work.—Vinol has restored my strength, and my nervousness has gone, so I can do my work as well as ever." Mrs. Emma Britt.

There is no secret about Vinol.—It owes its success in such cases, to beef and cod liver peptonates, iron and manganese peptonates and glycerophosphates the oldest and most famous body building and strength creating tonics. We recommend Vinol, Blackmer & Tanquary and druggists everywhere.

FIRST OF A SERIES OF SOCIAL EVENTS IN NEW CLUB ROOM

The first of a series of social events inaugurated by the Dahl-Campbell Wholesale Grocery Co. for the pleasure of their sales and office force, in both this city and Chillicothe passed off most auspiciously Saturday night, forecasting a season of exceptional gaiety for the large number of people connected with this immense establishment.

General Manager Wm. M. Campbell has for some time contemplated such a project and the recently opened Dahl-Campbell Salesmen club rooms, formerly the Elks' club rooms in the Dahl-Campbell plant now handsomely completely refurnished and equipped, provides an ideal place for social affairs.

Mr. Campbell gave his personal supervision to the launching of the first social affair and has underway plans for similar social evenings as well as entertainment, which will include the entire force of all the different departments.

This innovation already is proving its popularity and promises to arouse a mutual interest of immense benefit in multiple ways.

At noon Saturday following a business session, all of the Salesmen of both the plants, in this city and Chillicothe were entertained with an elaborate luncheon in the club dining room.

Sixty members of both the sales and office force, comprising the entire younger aggregation, attended the opening dance in the evening and pronounced it a most unqualified success. The large hall room accommodated the dancers easily and the floor was waxed to perfection.

An appetizing buffet luncheon was served.

Even the music was provided by the force, Miss Lillian English at the piano, and Charles Martin and Hugh Perill at the drums, eliciting round after round of applause.

Disclosures of Interest

The disclosures thus far made by the director of the investigation force of the United States Department of Justice, to the Senate committee, are remarkable.

The most gratifying feature of the whole report, aside of course from the thoroughness and accuracy with which the work was done, and the evidence of which is carried in the very exhaustiveness and directness of the report itself, is the fact that only one American official was caught in the meshes of the vile Teuton net of intrigue and bribery.

Of course we would rather than not one single American official had fallen victim to the wiles and the dishonesty of the Hun propagandists.

But only one of the vast army of public servants went astray. The Hun propagandists with millions of dollars at their disposal, unhampered by any moral limitations or even an understanding of what common honesty and decency required of them, made amazingly little progress.

Many Americans were roused to a realization of the villany of the Hun plots by these propagandists with Bernstorff at their head, and the bungling, coarse manner in which they undertook to carry forward their work.

We may expect now, that the disclosures have been started, some very interesting news about Bernstorff's activities while a guest of the nation's diplomatic court, who, next to the Kaiser, we believe Americans dislike more than any of the German kultur despises.

Premature Criticism

Annoying because of the criticism, implied if not expressed, of public officials, yet the lengthy discussions of space writers as to what the United States should not do at the coming peace conference are interesting.

They are interesting because of the ability the writers exhibit in building up a man of straw just as they want him and then proceeding to demolish the figure of their own building. They are interesting because there is scarcely one chance in a thousand that any one of the proposals which they denounce will be urged by this nation at the peace council.

There are only a few men who know just what proposals the representatives of this nation will make and therefore it is, aside from its entertaining qualities, little more than a waste of time to be berating officials for making proposals which, in all probability, they haven't the remotest intention of urging.

The most casual observer cannot conclude, from past occurrences or present conditions that the United States will do more than present its governmental ideals to the European nations for consideration. Having no territorial possessions on the continent of Europe it is not likely that this nation will undertake to "lay down any law" as to boundaries, indemnities or form of government for the nations of Europe.

This nation of one hundred million people, however, entered the war because it believed that the success of autocratic government in Europe was a menace to this nation in its progress toward the attainment of its ideals. It is the province, therefore, of the United States, at the peace conference, to insist that the victory won on the field of battle be made secure in the peace treaty.

Signs of Improvement

By a unanimous vote the Senate Foreign Relations Committee disapproved of the resolution of Senator Cummins to send a Senate committee to Paris to attend the peace conference.

Representative Mann, in the House, stated that he will neither lead nor be a party to any formal authorized attack on the President while he is absent on a mission the success of which is so vital to the interests of the American people and to civilization.

All of which indicates that the legislative body is rapidly returned to normal and the peculiar pet, with which many of the members seem to have been suffering, during the past few weeks, is rapidly wearing away or at last becoming less menacing in possible consequences.

Congressmen so long guarded in their public utterances and restrained in their criticisms to only the real causes for complaint have felt the loss of their "liberty" and now since the coming of peace and removal of the restraint imposed by war, they appear to be almost as irresponsible with their restored freedom and as reckless and childish in its exercise as were the Russian peasants following the overthrow of the Czar.

The time for just criticism of public officials has returned but the nation hoped and hopes that its return will not cause the entire absence of a disposition to recognize the good in even in political opponents.

POEM FOR TODAY

THE HEAVENLY GOOD
 No man can say to me today there is
 no heavenly good for all;
 No man can stand and smile at faith
 and mock the common law
 Of righteousness and truth and love
 and all the highest things that
 call—
 I know that God on Sinai stood, I
 know that Moses saw!

No man can face the facts of life as
 day by day they grow apace.
 And then deny that heavenly good is
 never present here,
 This peace that comes to truth and
 right is but a heavenly grace,
 And that to me is bread as day and
 just as keen and clear!

No man can say to me today there
 is no heavenly power of love
 To guide the courses of the world
 and visit wrath or cheer,
 For every hour our old flag waves
 those battered Teuton lines
 above
 I know that it is true that God be-
 side our cause stood near!

SOME REASONS WHY

Some go to church just for a

 Some go there to laugh and

 Some go there for observation,
 Some go there for speculation;
 Some go there the time to

 Some go there to meet a friend,
 Some go there to sleep and not
 But few go there to worship
 God.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

News of Interest to Women

The birthdays of Janet Whelpley and Alice Elizabeth Ellis annually gave occasion for a joyously anticipated birthday dinner, at which these two young girls are honored guests.

Sunday, this annual dinner was given at the home of Mrs. H. H. Whelpley and proved an elaborate affair of the utmost delight.

The two happy honor guests received many pretty gifts and were the center of interest.

A color scheme of pink and white was effectively carried out by the hostess.

Seated with the two girls were three grandmothers, Mrs. Whelpley, Mrs. T. Dixon, Mrs. Elizabeth Myers, grandfather, Mr. D. W. Ellis, the parents, Mr. J. H. Whelpley, Mr. and Mrs. Walter Ellis; Marion Whelpley, Forest Ellis, Miss Tillie Myers, Mr. Bert Ellis, Enid and Feurt McClure.

Mr. and Mrs. B. Dauber of W. Temple street pleasantly entertained eight young girls Saturday at a birthday party for Janet Whelpley.

The table was very pretty with pink and white, the colors used in the decorations. Pink candles burned brightly on the birthday cake and the children especially enjoyed drawing gifts from a big favor basket.

The guests with Janet were her sister, Marion, Enid McClure, Virginia Ellis, Evelyn Soddiers, Lillian Teeters, Genevieve Parrett, Janet Daugherty.

Mrs. H. H. Whelpley and Mrs. R. T. McClure assisted.

Invitations went out Saturday for a Chi Delta Chi Christmas dance, to be held on the evening of December twenty-sixth at the K. of P. Castle. O'Neill's orchestra of Springfield, has been secured and plans are being matured for a brilliant holiday affair.

Miss Ione Wilson, daughter of Mrs. Elizabeth Wilson, of North Fayette street, and Private Elmer Douds, of Camp Sherman, son of Mr. and Mrs. S. Y. Douds, of Elwood City, Pennsylvania were united in marriage Saturday evening at eight-thirty o'clock by Rev. Arthur P. Cherrington at the Methodist parsonage, the double ring ceremony being used.

Mr. and Mrs. Fred Barrett of Leesburg, Mrs. Barrett a sister of the bride, witnessed the ceremony.

The bride, a very pretty girl was wearing a gown of purple satin and Georgette with top coat and hat to match, that were peculiarly becoming to her striking blonde type.

The groom is connected with the publicity department of the Liberty Theatre at Camp Sherman, and until his discharge his bride will remain here with her mother.

Private and Mrs. Douds will probably make their home in Chicago, where he was formerly engaged in Journalism, before going to camp.

The young couple left amid a shower of good wishes on the 10:30 B. & O. for a short wedding trip.

Saturday afternoon twenty of Miss Stinson's pupils gave a most attractive program for a large number of friends.

Different grades of work were represented—equally interesting, from primary to advanced playing—showing the possibilities and results of the Carono method used by Miss Stinson.

At the close of the program Miss Stinson announced that word had been received from Santa Claus, who will pay her pupils his annual visit Monday before Xmas at the Studio when a short appropriate program will be given.

There is a general tendency on the part of women all over the country to echo the sensible advice of Anne Rittenhouse that clothes should be chosen this season as a part of the best type of patriotism, which is to keep one self above disaster in order that the state may not have an extra burden. Slippers and open-work stockings in the snow, décolleté blouses with furs that do not meet across the chest, thin satins that are no protection to sleep, are the kind of clothes that are forecast of illness in days when substitute foods and lack of artificial heat necessarily lowers the resistance of the body to cold.

France and England learned this lesson last winter. America must practice it this winter, for she surely had sufficient bitter experience last

year to teach her some sense in regard to the protection of her nerves, her blood and her vital organs through seasonable apparel.

Mrs. Charles Parker most enjoyably entertained at an elegant dinner Saturday at the home of her cousin, Mrs. J. N. Riley, on the Bogus road, Mesdames Wm. Boynton Gage, L. P. Howell, A. R. McCoy and Rell C. Allen.

Miss Elizabeth Hendryx and guest, Miss Faye Barker, of Columbus were Sunday guests at the Camp Sherman Community House.

Mrs. Clifford Price entertained for the week end her father, Mr. Alonzo Wynn, of Dayton and sisters, Miss Ho Wynn, of Bloomingburg and Elo Wynn, of Leesburg.

Miss Ruth Arnold, of Cincinnati, was the guest of Mrs. Ralph Browne at the home of Mrs. Browne's parents, Mr. and Mrs. Charles Bonham, from Thursday until Monday morning going on to Columbus to visit friends before returning home.

GRUESOME JOKE ON AUTO PARTIES

Some of the mischievous youth of the village of Austin perpetrated a rather gruesome joke on numerous automobile parties, Sunday evening, by placing a dummy representing the body of a man upon the bridge and railroad tracks in the village, with result that women in some of the machines nearly fainted before learning that the supposed body of a man had been placed there by practical jokers.

One auto passed over the "body" and the screams of the women in the car caused the driver to stop, investigate, and hurl the "body" into Paint creek.

NEW BLOOD NEEDED

After the gripe, influenza, or other serious illness, the body needs help to regain the health and strength sacrificed by the disease. The blood first of all must be purified and revitalized. For this purpose physicians know of no more efficient body builders than Iron, Nux Vomica, Gentian, Capsicum and Zinc Phosphide in some form.

In many preparations however, the iron causes constipation, but in Chase's Blood and Nerve Tablets, which contain all of these tonics, this is overcome by the addition of Aloin.

The system, therefore gets all the benefits of the iron and other body builders without any unpleasant after effects. Health and strength quickly return and pure, healthy blood is soon circulating through the body.

Each dose means more vim, vitality and strength. Weigh yourself before taking and watch the result.

Dr. Chase's Blood and Nerve Tablets are sold by nearly all druggists at a sixty cents per box. Special strength ninety cents. Adv.

TO BRING BODIES OF SOLDIERS HOME WITHIN NEXT YEAR

Bodies of the American boys who sacrificed their lives in France for the cause of justice and right will be brought home probably in 1919 or 1920, according to announcement recently made by officials who are formulating plans for this work.

A great many of the brave soldiers will be allowed to remain where they were buried, with consent of their relatives. It is understood that relatives will first be consulted and if they desire the body of their loved one returned to their home community for final interment this will be done.

There are probably nearly a score of Fayette county boys who are sleeping in peace beneath the soil of France, close to the place where they gave their lives in throwing back the Hun, and in most instances the relatives, it is believed, will desire that the body of their loved one be returned to this county for burial.

Definite announcement concerning the return of bodies of the dead is expected in the near future.

U. S. TROOPS COMMENDED FOR THEIR BRAVERY

(By Associated Press)

Paris, December 9.—Among the citations in Sunday's official journal is the Fourth American Brigade under Brigadier General Harbord. The brigade comprises the Fifth Regiment of Marines under Colonel (now Brigadier General) Wendell C. Neville, the Sixth Marines under Colonel (now Brigadier General) Albertus A. Catlin and the Sixth Machine Gun Battalion under Major Edward B. Cole.

The citation says the brigade, in full battle array, was thrown in on a front which the enemy was attacking violently and at once proved itself a unit of the finest quality. It rushed the enemy attack on an important point of the position and then undertook a series of offensive operations.

The Thirtieth Regiment, American Infantry, under Colonel E. L. Butts, is cited as showing itself "worthy its traditions on July 15 in sustaining the chief shock of the German attack." The Thirtieth Regiment is cited for "unshakable tenacity" the same day.

Other American citations include Max Staub hospital section; Lewis Kenneth of the Three Hundred and Seventy-second Regiment, Aviator Thomas Hitchcock of New York and Ambulance Sections 546, 525, 626, 539, and 629.

The American Lafayette Escadrille is commended for work in Flanders. Citations are also given H Battery, Second Battalion of the Fifty-third Regiment of Garrison Artillery under Captain Gardner; the platoon under Lieutenant John H. Shenkel, B Company, One Hundred and Eleventh Infantry, and the platoon under Lieutenant Cedric C. Benz, Company A, One Hundred and Eleventh Infantry.

Tomorrow is the last discount day on gas and electric light bills.

News of Interest to Women

The birthdays of Janet Whelpley and Alice Elizabeth Ellis annually give occasion for a joyously anticipated birthday dinner, at which these two young girls are honored guests.

Sunday, this annual dinner was given at the home of Mrs. H. H. Whelpley and proved an elaborate affair of the utmost delight.

The two happy honor guests received many pretty gifts and were the center of interest.

A color scheme of pink and white was effectively carried out by the hostess.

Seated with the two girls were three grandmothers, Mrs. Whelpley, Mrs. T. Dixon, Mrs. Elizabeth Myers, grandfather, Mr. D. W. Ellis, the parents, Mr. J. H. Whelpley, Mr. and Mrs. Walter Ellis; Marion Whelpley, Forest Ellis, Miss Tillie Myers, Mr. Bert Ellis, Enid and Feurt McClure.

Mr. and Mrs. B. Dauber of W. Temple street pleasantly entertained eight young girls Saturday at a birthday party for Janet Whelpley.

The table was very pretty with pink and white, the colors used in the decorations. Pink candles burned brightly on the birthday cake and the children especially enjoyed drawing gifts from a big favor basket.

The guests with Janet were her sister, Marion, Enid McClure, Virginia Ellis, Evelyn Souders, Lillian Teeters, Genevieve Parrett, Janet Daugherty.

Mrs. H. H. Whelpley and Mrs. B. T. McClure assisted.

Invitations went out Saturday for a Chi-Delta Chi Christmas dance, to be held on the evening of December the twenty-sixth at the K. of P. Castle, O'Neill's orchestra of Springfield, has been secured and plans are being matured for a brilliant holiday affair.

Miss Ione Wilson, daughter of Mrs. Elizabeth Wilson, of North Fayette street, and Private Elmer Douds, of Camp Sherman, son of Mr. and Mrs. S. Y. Douds, of Elwood City, Pennsylvania were united in marriage Saturday evening at eight-thirty o'clock by Rev. Arthur P. Cherrington at the Methodist parsonage, the double ring ceremony being used.

Mr. and Mrs. Fred Barrett of Leesburg, Mrs. Barrett a sister of the bride, witnessed the ceremony.

The bride, a very pretty girl was wearing a gown of purple satin and Georgette with top coat and hat to match, that were peculiarly becoming to her striking blonde type.

The groom is connected with the publicity department of the Liberty Theatre at Camp Sherman, and until his discharge his bride will remain here with her mother.

Private and Mrs. Douds will probably make their home in Chicago, where he was formerly engaged in Journalism, before going to camp. The young couple left amid a shower of good wishes on the 10:30 B. & O. for a short wedding trip.

Saturday afternoon twenty of Miss Stinson's pupils gave a most attractive program for a large number of friends.

Different grades of work were represented—equally interesting, from primary to advanced playing—showing the possibilities and results of the Carono method used by Miss Stinson.

At the close of the program Miss Stinson announced that word had been received from Santa Claus, who will pay her pupils his annual visit Monday before Xmas at the Studio when a short appropriate program will be given.

There is a general tendency on the part of women all over the country to echo the sensible advice of Anna Rittenhouse that clothes should be chosen this season as a part of the best type of patriotism, which is to keep one self above disaster in order that the state may not have an extra burden. Slippers and open-work stocking in the snow, decollete blouses with furs that do not meet across the chest, thin ratins that are no protection to sleep, are the kind of clothes that are forecast of illness in days when substitute foods and lack of artificial heat necessarily lowers the resistance of the body to cold.

France and England learned this lesson last winter. America must practice it this winter, for she surely had sufficient bitter experience last

year to teach her some sense in regard to the protection of her nerves, her blood and her vital organs through seasonable apparel.

GRUESOME JOKE ON AUTO PARTIES

Some of the mischievous youth of the village of Austin perpetrated a rather gruesome joke on numerous automobile parties, Sunday evening, by placing a dummy representing the body of a man upon the bridge and railroad tracks in the village, with result that women in some of the machines nearly fainted before learning that the supposed body of a man had been placed there by practical jokers.

One auto passed over the "body" and the screams of the women in the car caused the driver to stop, investigate, and hurl the "body" into Paint creek.

NEW BLOOD NEEDED

After the grippe, influenza, or other serious illness, the body needs help to regain the health and strength sacrificed by the disease. The blood first of all must be purified and revitalized. For this purpose physicians know of no more efficient body builders than Iron, Nux Vomica, Gentian, Capsicum and Zinc Phosphide in some form.

TO BRING BODIES OF SOLDIERS HOME WITHIN NEXT YEAR

Bodies of the American boys who sacrificed their lives in France for the cause of justice and right will be brought home probably in 1919 or 1920, according to announcement recently made by officials who are formulating plans for this work.

A great many of the brave soldiers will be allowed to remain where they were buried, with consent of their relatives. It is understood that relatives will first be consulted and if they desire the body of their loved one returned to their home community for final interment this will be done.

There are probably nearly a score of Fayette county boys who are sleeping in peace beneath the soil of France, close to the place where they gave their lives in throwing back the Hun, and in most instances the relatives, it is believed, will desire that the body of their loved one be returned to this county for burial.

Definite announcement concerning the return of bodies of the dead is expected in the near future.

U. S. TROOPS COMMENDED FOR THEIR BRAVERY

(By Associated Press)

Paris, December 9.—Among the citations in Sunday's official journal is the Fourth American Brigade under Brigadier General Harbord. The brigade comprises the Fifth Regiment of Marines under Colonel (now Brigadier General) Wendell C. Neville, the Sixth Marines under Colonel (now Brigadier General) Albertus A. Catlin and the Sixth Machine Gun Battalion under Major Edward B. Cole.

The citation says the brigade, in full battle array, was thrown in on a front which the enemy was attacking violently and at once proved itself a unit of the finest quality. It crushed the enemy attack on an important point of the position and then undertook a series of offensive operations.

The Thirtieth Regiment, American Infantry, under Colonel E. L. Butts, is cited as showing itself "worthy its traditions on July 15 in sustaining the chief shock of the German attack." The Thirty-eighth Regiment is cited for "unshakable tenacity" the same day.

Other American citations include Max Staub hospital section; Lewis Kenneth of the Three Hundred and Seventy-second Regiment, Aviator Thomas Hitchcock of New York and Ambulance Sections 546, 525, 626, 539, and 629.

The American Lafayette Escadrille is commended for work in Flanders. Citations are also given H Battery, Second Battalion of the Fifty-third Regiment of Garrison Artillery under Captain Gardner; the platoon under Lieutenant John H. Shenkel, B Company, One Hundred and Eleventh Infantry, and the platoon under Lieutenant Cedric C. Benz, Company A, One Hundred and Eleventh Infantry.

Tomorrow is the last discount day for gas and electric light bills.
